

2018 Junior Doubles Spring League

The purpose of the junior doubles league is to introduce boys & girls to tennis competition in a fun format and to teach them in a playing situation about positioning and doubles tactics.

Get more kids playing tennis at your club.

Coaches are encouraged to coach strategy and positioning during a 3 minutes break after the fourth game, where mutually agreed to by each team. This league is an introduction for Juniors into inter-club play, teaching juniors good sportsmanship and how to be ambassadors for their club both at home and away.

Host clubs are responsible for providing balls and a light post match refreshment.

Each participating club fields a team consisting of 3 U12 doubles pairs at 5 pm and 3 U18 doubles pairs at 6 PM each Saturday **starting April 28**. Please try to field a minimum of one girl per week on each team. Children need to understand basic scoring and have a functional serve. Participants can only play for one team within a season.

There are no matches scheduled May 20 (Victoria Day Weekend).

The season will finish with a City Wide flighted tournament **June 16**. Participants must have played at least 2 regular season matches to be eligible for the June 17 tournament.
